Billy, 13; loves baseball & basketball; plays drum, violin & piano; doing well in school; getting Bible-drill from Mom & Dad every Sunday; has a great heart and love for the Lord Jesus.

Our Lord Jesus Christ's reminders & promises for 2013:

- *Call to prayer.* (On our knees, we shall seek the Lord for all things.)
- *Time to enlarge your territory.* (So we bought a bigger house to host more people for home church services, holiday gatherings and special events.)
- *Stay humble and keep things simple.* (Hence, we abandoned our desire to pray for a formal building to hold our services and resolved to meet at our home for services and events.)
- *Freely give as you freely receive.* (By giving free driving lessons, Ron & Karen helped 5 international students learn to drive and obtain their driver's license.)

Ministry recap for 2013:

- Held Good Friday Service at the Logan Oriental Mission Church in April
- Held monthly prayer meetings and weekly Bible Studies on campus

- Praying & seeking the Lord for 2014's ministry focus

Prayer Requests for 2014:

- Need an anointed Worship leader
- Need to raise benevolence funds to help financially struggling international students
