

Good Evening, Saints!

2020 - For His Glory

## ...Pray His Glory Across The Earth...\*

### For His Glory.16

**Habakkuk 2:14 - For the earth will be filled with the knowledge of the glory of the Lord as the waters cover the sea.**

Wholeheartedly rejoicing with the truth is just what agape love does and this is another way the earth is filled with the knowledge of His glory as the waters cover the sea. This is the last part of **1 Corinthians 13:6.**

**'Love is patient and kind. It does not envy, it does not boast, it is not proud,  
'It does not dishonor others, it is not self-seeking, it is not easily angered, it keeps no record of wrongs.**

**'Love does not delight in evil but rejoices with the truth.**

**'It always protects, always trusts, always hopes, always perseveres.**

**Rejoicing with the truth & the glory of the Lord** - Agape love loves the truth because it's the truth that sets people free and keeps people free, free from sin and all the entanglements that come with it. Those who agape love take the time to search out what is true and what is false so that they can make decisions that honor the Lord and push back the darkness that comes with sin's lies. Those who agape love are also willing to wait and see how some situations develop so that matters are not made worse by rushing to judgement. The truth is always good and therefore, embracing the truth always brings glory to the Lord and keeps filling the earth with the knowledge of His glory.

Therefore, as we seek the Lord today, let's ask Him to help us always look for reasons to rejoice wherever we are and each day to seek the truth. Let's never give into the deception of lies for this is always a trap for lies never set us free, only the truth does. And, let's overflow with rejoicing whenever the truth prevails for this always honors our Lord Jesus, who Himself is the Way, **the Truth**, and the life. **Lord Jesus, help us truly love one another just as you have loved us and bring glory and honor to You! Amen!**

Sincerely yours,

Pastor Ron
