

Good Afternoon, Saints!

2020 - For His Glory

**...Pray His Glory Across The Earth...\***

For His Glory.46

**Habakkuk 2:14 - For the earth will be filled with the knowledge of the glory of the Lord as the waters cover the sea.**

Because the Lord in us is greater than anything in this world that stands against us, the earth is filled with more of the knowledge of His glory as the waters cover the sea every day. This truth is expressed in **1 John 4:4.**

**·You, dear children, are from God and have overcome them,  
because the one who is in you is greater than the one who is in the world.**

**The greater One in us and His glory** - We have often heard this verse and have often been encouraged by it, but many times when the stress and troubles of this life come, and they will keep coming, the truth that Jesus, the One Who is in us is greater than the dark one, Satan, who is in this world, doesn't seem to be something we can trust when it sure looks like the darkness has the upper hand. But, the truth really is that the Lord is there with us even in times of trouble. The darkness just can't keep the Lord away from us and the dark times we go through show us instead that the Lord is greater than anything the darkness can do to us or put us through, which testifies to this world how good, loving and powerful He is and which also then always keeps filling the earth with the knowledge of His glory as the waters cover the sea.

Therefore, as we seek the Lord today and each day this week, let's praise Him for being in us and that He truly is greater than the dark one and his forces that constantly come after us. Let's always be ready and willing to learn that in all our times of trouble that the Lord really is there with us and resist any notion that He has abandoned us and doesn't care about us anymore. And, let's also keep loving one another with the Lord's agape love so that we constantly testify to each other that the Lord is greater than our troubles and the darkness that comes upon us and so that we always keep filling this earth with the knowledge of His glory. **Lord Jesus, help us truly love one another just as you have loved us and bring glory and honor to You! Amen!**

Sincerely yours,

Pastor Ron
