

Good Afternoon, Saints!

2021 - All Things New

...Pray His Glory Across The Earth...*

All Things New.6

Revelation 21:5 - He who was seated on the throne said, "I am making everything new"...

The Lord Jesus makes all things new and He Himself will save us from any and all, accidental and planned, current and future, demonically inspired or human, traps and plagues. This is found in **Psalm 91:3**.

Surely He will save you from the fowler's snare and from the deadly pestilence.

All things new and this world's traps and plagues - The Lord is making all things new and as a result of this wonderful, making all things new work, the darkness works to twist something new, good and wonderful as if it was completely and thoroughly bad. So, from the bag of tricks the darkness has at its disposal, it likes to use traps and plagues, the fowler's snare and deadly pestilence listed above in Psalm 91:3.

But, whenever this world set its traps and sends its plagues, the Lord is there to save us. I believe when we get to Heaven, the Lord will show us many of the things He saved us from that we weren't aware of because He didn't let them happen. This is the preferred mode we always wish the Lord would use. But, when the non-preferred mode happens, when this world sets traps and sends plagues, He faithfully uses these situations to show us again and again that He will always save us, that He will always spring every trap and nullify every plague, COVID-19 included.

Therefore, as we seek the Lord again this week, let's seek Him, understanding that He already knows how to lead us through all the traps and plagues this world wants to take us down with. Let's look for Him to teach us each time that He totally can take care of us in every situation. And, let's rejoice and be glad that He's **ALWAYS** going to help all who believe in Him to learn more about His amazing power and love to heal, save and deliver throughout 2021 while He keeps making all things new.

Lord Jesus, help us truly love one another just as you have loved us so that we help each embrace all things you are making new for us and our world! Amen!

Sincerely yours,

Pastor Ron
