

Good Evening, Saints!

2021 - All Things New

All Things New.14

Revelation 21:5 - He who was seated on the throne said, "I am making everything new"...

The Lord, who makes all things new, gives us insight on the detail of the charge that He has given His angels to watch over us 24/7. This detail is given next in Psalm 91:11-13.

**<sup>11</sup>For He command his angels concerning you to guard you in all your ways;  
<sup>12</sup>they will lift you up in their hands, so that you will not strike your foot against a stone.  
<sup>13</sup>You will tread on the lion and the cobra; you will trample the great lion and the serpent.**

**All things new and our angel 24/7 guard** - Sometimes we don't think angels are guarding us 24/7 because we don't see these strong, powerful, heavenly beings around us to guarding us and protecting us. And, we tend to think if we didn't see them on duty guarding and protecting us, then they're not really there guarding and protecting us.

However, things happening around us don't require our visual verification or nod of approval for them happen. And, with the Lord's angels, who really do have our back 24/7, many times they just protected us without revealing to us that they are there. Many times we've not tripped over something or stubbed our toes on something due to their unseen activity and not because of our awareness of what's around us. And, because of their guard around us, great dangers that we actually could see happening to us if we were near them, like being attacked by a fierce and/or strong lion, being bitten by a poisonous snake, or attacked by something totally colossus like a dragon, serpent or sea monster, will be nullified and turned into times of triumph instead.

Therefore, as we often and always seek the Lord each day this week, let's ask Him to help us trust that His angels are always around us even though we can't see them most of the time. Let's be thankful that the Lord has dispatched them to watch over us and that they faithfully carry out this sacred duty. And, **since, the Lord really does use His angels to guard us in all our ways, let's always rejoice** for this means that in this year, 2021, we will daily always keep learning more about our Lord's amazing power and love to heal, save and deliver while He keeps making all things new.

**Lord Jesus, help us truly love one another just as you have loved us so that we help each embrace all things you are making new for us and our world.! Amen!**

Sincerely yours,

Pastor Ron
